

## STUDENT DRESS CODE

The purpose of the dress code is to clarify a standard of appearance that will encourage our students to bring glory to God (I Cor. 10:31). The dress code is not intended to measure spirituality, but to serve as a tool to accomplish these specific goals: (1) Create an atmosphere free from distractions; (2) Build character that exhibits self-discipline, modesty, cleanliness, and submission; (3) Inspire the making of responsible choices. The cooperation of the student and the parent is necessary in maintaining the standards of the dress code.

The INTENT or SPIRIT of Epworth Christian School's dress code is to ensure that the student body:

- (1) Be decent and modest
- (2) Be neat, not sloppy
- (3) Be moderate, not excessive or extreme
